LIMITED 1 YEAR WARRANTY

Manufacturer warrants to the original retail purchaser, this product to be free from defects in material and workmanship for a period of one (1) year from the date of purchase.

Should this product become defective due to material or workmanship within the warranty period, contact our Customer Service Department for repair or replacement at our option.

This warranty is not transferable and does not cover normal wear and tear, bowing of the table or damage caused by improper handling, installation or use of this product. This warranty is also void if product is in any way abused, damaged, or modified from its original state, or if used for other than residential use.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

CAUTION

THIS IS A GAME TABLE. DO NOT SIT, STAND, LEAN, WALK OR JUMP ON TABLE! FAILURE TO COMPLY WITH THIS CAUTION COULD RESULT IN PERSONAL INJURY AND/OR PROPERTY DAMAGE!

This table must be kept indoors to prevent damage to the playing surface. Dampness and extreme temperature changes which occur on patios or similar areas can cause wood to warp, swell, crack, or blister.

UNLEVEL FLOORS

If table does not seem level, it is probably because floor is not level. Move table several inches (set table in playing position) in different directions to find the best location for the table. If the floor is extremely unlevel, table may not play or operate properly. If table is high in the center, shim up under the outer legs.

CARE AND MAINTENANCE

You have purchased a quality product that will give you years of enjoyment. By following these simple maintenance steps you will add to the life of your new table. The top (playing surface) of your table is of a particle board construction. Like all products made of wood, it can be affected by atmospheric conditions, meaning both temperature and humidity. This may cause a slight sag or distortion as top expands or contracts. This is normal and should not cause concern as it does not detract from the play or utility value of the table. To help minimize this problem, **store table in folded up position in a dry area when not in use.**

STORAGE OF YOUR TABLE

This table must be stored indoors to prevent damage to the playing surface. Dampness and extreme temperature changes can cause the wood to warp, swell, crack, or blister. When your table is not in use, it should be folded up in a dry area.

CLEANING YOUR TABLE

To clean your table use a soft damp **NOT WET** cloth only. To prevent damage to your table's playing surface **DO NOT** use any chemicals, abrasive, or cleaning products on your table's playing surface.

IMPORTANT: Periodically, lubricate all moving parts, including pivot points, to assure smooth opening and closing. A light lubricant such as WD-40 is recommended.

WARNING:

READ AND FOLLOW ALL ASSEMBLY, OPERATING, AND SAFETY INSTRUCTIONS CAREFULLY. AT LEAST THREE (3) ADULTS ARE NEEDED TO PUT THIS TABLE TOGETHER!

Figure 1

1. Position caster rails (#1) on the floor as shown approximately 30 inches apart.

WARNING:

AT LEAST THREE (3) ADULTS ARE NEEDED TO COMPLETE THE REST OF THIS ASSEMBLY! WHEN ASSEMBLING TOPS TO BASE, HANDLE TOP ASSEMBLIES BY GRASPING ONLY THE TOPS THEMSELVES. DO NOT GRASP METAL LEGS, H-SUPPORT, LINKAGE, OR HINGES. THESE PARTS CAN MOVE AND COULD PINCH FINGERS OR HANDS CAUSING SERIOUS INJURY! ASSEMBLE AS SHOWN WITH LEGS FULLY CLOSED AND TOPS IN A VERTICAL POSITION. DO NOT OPEN LEGS AND TRY TO ASSEMBLE. TABLE TOPS ARE HEAVY - DO NOT ATTEMPT TO ASSEMBLE ALONE!

Figure 2

2. Have two adults hold the table top (#19) upright, while a third adult attaches ends of "H"-support tube with top of pivot tubes on caster rails (#1). Slide tubes together.
3. Repeat this process for the other caster rail. Then slide second table top down over remaining two pivot tubes, making sure the playing surface of the second top faces the playing surface of the first.
Attach corner protectors (#32) to rails. Simply push the tabs on protector into the holes in rail.

WARNING:

DO NOT OPEN THE TABLE TO PLAYING POSITION UNTIL BOTH TOPS ARE INSTALLED! DO NOT LEAVE TABLE STANDING UNATTENDED. IT COULD BE KNOCKED OVER CAUSING SERIOUS BODILY INJURY OR PROPERTY DAMAGE.

OPENING AND CLOSING INSTRUCTIONS

CAUTION:

EXERCISE CAUTION IN OPENING/CLOSING TABLE. SMALL CHILDREN, OR CHILDREN NOT PROPERLY INSTRUCTED IN ITS USE, MUST NOT BE ALLOWED TO OPEN/CLOSE TABLE. IMPROPER HANDLING AND MISUSE CAN RESULT IN SERIOUS INJURY OR DAMAGE. DO NOT CLIMB, STAND, OR JUMP ON TABLE. MOISTURE AND CONDENSATION WILL DAMAGE PLAYING SURFACE OF THIS TABLE. STORE IN DRY, INDOOR PLACE.

TO OPEN:

1. Pull legs out slightly from one table top half.
2. Hold center of top edge. Gently pull outward to midway position. Continue to pull until disengaged from safety clips and legs rest on the floor. Do not leave table partially opened at midway position. See Figure 3.

TO CLOSE:

1. Unlock all four hinges.
2. Lift table half to midpoint until the safety clips are engaged. Then continue lifting until closed.
3. Raise other table half in the same manner.

Figure 5

Figure 3

3. Open other table half as in step 1 and 2.
4. Lock all four center hinges. See Figure 4.

Figure 4

WARNING!

DO NOT LIFT TABLE BY THE TABLE TOPS! TABLE IS NOT FASTENED TO BASE AND CAN COME LOOSE, CAUSING PERSONAL INJURY OR PROPERTY DAMAGE!

IF TRANSPORTATION OTHER THAN ROLLING IS NECESSARY, HAVE ONE ADULT ON EACH END OF ONE TABLE HALF LIFT IT UP, DISASSEMBLING IT FROM THE LOWER PART OF THE UNIT. THEN REMOVE OTHER TABLE HALF. MOVE UNIT IN THREE OR FOUR PIECES AND REASSEMBLE.
